

OLD CAMP PEACH PECAN WHISKEY

Country music duo Brian Kelley and Tyler Hubbard ... also known as Florida Georgia Line (FGL) are sharing their Old Camp Peach Pecan Whiskey with the Mid-Atlantic states. “The ultimate drink to kick-start the party.” The superstar duo were inspired to make their first whiskey by their own “camp” – a crew of longtime musicians, managers, technicians and friends – which ultimately led to the creation of Old Camp Peach Pecan Whiskey.

“We love to have a good time and we love whiskey, always have,” shared FGL’s Brian Kelley. “It’s a ritual we’ve had since our first shows, toasting and celebrating with our camp before taking the stage.”

FGL’s Tyler Hubbard adds, “This ritual is a huge part of FGL and we wanted to develop a drink that feels true to who we are, our roots and the vibes we like to create. We can’t wait for y’all to try it!”

Old Camp Peach Pecan Whiskey brings a unique mix of flavoring to the whiskey market. Inspired by FGL’s Southern roots, Old Camp is blended using American whiskey aged for a minimum of two years in white American oak barrels with a No. 3 char and infused with Southern peach and pecan flavors. The result is deliciously smooth and sweet, yet balanced, with caramel and light spice notes.

Available now Old Camp Peach Pecan Whiskey is 70 proof (35% alcohol by volume). ■
